The statement is based on a single evaluation of one sample of above mentioned products. The statement is based on design and type of product, which is brought into circulation by us, and risk assessment of probably use.

The manufacturer should ensure that all products in series production are in conformity with the product sample detailed in the Test report. Technical file is at the authorized representative's disposal.

Responsibility for product safety and compliance with the requirements of the Directives: European Parliament and the Council of the European Union Low Voltage Directive 2014/35/EU, Electromagnetic Compatibility Directive 2014/30/EU and harmonized standards are issued under the sole responsibility of the manufacturer.

Test reports: № 61037. Compliance with the directive is ensured by internal production controls and periodic testing of electronic components/electrical boards.

The declaration is valid until the introduction of modifications of the technical parameters of the products and production process. In case of alteration in product characteristics, not agreed by authorized representative, this declaration will lose its validity.

Other relevant Directives have to be observed.
